

Sunscreen Permission

During the hot summer months, the children are outdoors more often and for longer periods of time. **It is very important that sunscreen is applied to your child's exposed skin before you bring them to school each day.** However, there will be times during the day that sunscreen needs to be reapplied, particularly when going outside in the afternoon. With Parent/Guardian permission, CAAS Head Start will provide and apply safe sunscreen to your child; we use Aveeno Baby (SPF 50). More information about the Aveeno sunscreen can be found at www.aveeno.com/products/baby-care/sunscreen.

- I **do** give CAAS Head Start permission to reapply sunscreen when outdoor conditions warrant to my child, _____, during outdoor activities.
 - I will provide my own sunscreen that meets the above requirements
- I **do** give CAAS Head Start permission to apply sunscreen when outdoor conditions warrant to my child, _____, during outdoor activities. I will provide my child with appropriate sun protection.
